

Our Global Reach

IDIT's customers include Tier-I and Tier-II insurers from Western & Eastern Europe, and Asia Pacific. Our customers span the entire insurance spectrum, from global operators, over large and medium-sized carriers, to affinity and brokers in the P&C market.

Our customers experience immediate cost savings and can swiftly and profitably introduce new insurance products to meet the changing economic, regulatory and consumer demands.

IDIT I.D.I. Technologies — Global Reach

Selected Customers

RAC Insurance Pty is the insurance arm of the Australian state-based Royal Automobile Club – with written premium of \$220m USD and distribution capabilities through branches, internet, and call center.
